Dear Sir/Madam,

I am writing to express my strong interest in applying for the [Name of Program] at [University Name]. As a Ukrainian student who arrived in Canada under the Canada-Ukraine Authorization for Emergency Travel (CUAET), **I am deeply committed to continuing my academic journey in a meaningful field** that will contribute both to my personal development and to the reconstruction and progress of my home country.

My motivation to pursue [Program Name – e.g., a Bachelor's in Economics] stems not only from academic passion, but **also from the urgent realities facing Ukraine**. Experiencing the impact of war firsthand has driven me to seek ways in which I can help rebuild Ukrainian institutions, strengthen governance, and support long-term recovery and development. I believe that [University Name], with its outstanding faculty, global perspective, and commitment to social impact, is the ideal environment for me to acquire the skills and knowledge necessary to contribute to this process.

[Add your previous academic experience, name of the school and achievements, or some important/unique contributions and teamworking], **I am eager to continue my education** and contribute to both the academic and broader community. My experiences have shaped my critical thinking, leadership skills, and commitment to the community. My academic interests are centered on [your area of interest].

As a temporary resident under CUAET, financial support is a critical factor in my ability to pursue undergraduate education (*as an example*). While my family and I are working hard to settle in Canada and contribute to our new community, the financial burden of international tuition remains a significant barrier. I respectfully ask the university to consider available funding, scholarships, or tuition waivers that may apply to CUAET students or others affected by conflict and displacement. **I am committed to academic excellence and community engagement**, and I would be proud to contribute to campus life in return for any support granted.

Thank you for considering my application. I am confident that my background, goals, and drive to make a meaningful contribution to society align with the values of your institution. I look forward to the opportunity to grow academically and professionally at [University Name].

Sincerely,
[Your Full Name]
